

MINDEN ROTARY DICTIONARY SPONSORSHIP

For over 15 years, the Minden Rotary Club has been giving a hardbound Scholastic dictionary to EVERY 3rd grade student in Kearney County. We would like to include you in all this local exposure! This year we will be purchasing almost 100 dictionaries to be given to children at East Elementary, Axtell, Wilcox-Hildreth and home-schooled 3rd grade students.

We customize the bookplate on the inside cover with each child's name.

For **only \$50** your business/name can be included on the inside cover of every dictionary distributed. These valuable books belong to the student (not the school), and many keep them for life.

The dictionaries will be delivered to the schools by November 15, 2024. The deadline to be a part of this GREAT project is October 30, 2024.

Please complete the form below and include a check to the MINDEN ROTARY CLUB.

Either drop off at the Minden Exchange Bank or mail to:
